Purpose

To give the members of this Parish the opportunity to discuss future terms of Ministry for Rev. Ken Olsen.

Explanation

Ken is to have a Ministry review that will be organised by the JRC (Joint Regional Committee) in March 2012. This is required because Ken is in his 10th year of Ministry in this Parish.

I hope that there will be a good attendance and representation at the meeting. The Parish Council will meet with the JRC representatives and will be able to present ‘the mind of the congregation’.

Talua College Early Childhood Centre Project.

Our Overseas Mission committee has been exploring the possibility of a team from Chartwell Cooperating Church going to Talua Theological College Vanuatu, in conjunction with the Global Mission Office of the Presbyterian Church to construct an early childhood centre.

Jack Brinkman in December made an initial visit to the college to assess the situation and what would be needed. We are hoping to send the team of up to 10 people in May to undertake the construction of the building. If you think you could be interested in being a member of the team or for further details please contact Trevor Bennett (853 7595). Thank you.
