## Funeral Hospitality

Currently our Sunday services have a focus on hospitality. Biblical hospitality, the welcoming hospitality we provide here at Chartwell. One dictionary defines it as ~ *"the friendly and gracious welcoming of guests, visitors and strangers."*

One of the ways we offer hospitality here at Chartwell is to provide a small team of people to help set up, serve and clean up for Parish related funerals. This has been seen as a significant pastoral ministry offering to families. To continue to do this we need to expand the list of names of people who would be willing to be called upon to help.

Funerals are not 'timetabled', so a generous list of names is very helpful, as you may not always be available. If you feel you can contribute in this way or have any questions, please contact me.
