**18th July 2021**

**Pentcost 8**

**Our mission is: “To know and share God’s love”.**  
**Kia mau, kia uru te aroha o te Atua**

A very warm welcome is extended to Sunday’s services of worship. Our musicians at the 9.30am service are Yeolande Luker and Carol Way. Morning tea will follow the service.

The 8am service will use page 476 of the NZPB liturgy. The readings are 2 Samuel 7:1-14a , Ephesians 2:11-22 and Mark 6:30-34,53-56. Jill Flint is our reader and server this Sunday.

***Morning tea will follow the 8am service next Sunday (25th July).***

The Insight service will be led by Sharon.

## **Insight service – Special guest speaker**

Eric Park, Relationships Co-ordinator for Christian World Service, will be our guest speaker at the Insight service this Sunday. He will be joined by Kathlene Soo, who is a CWS Intern helping run Operation Refugee this year.

Eric will be talking to us about the plight of refugees in the world today and about the work which Christian World Service is doing in supporting partner organisations working with refugees in Lebanon and Jordan.

We can help support CWS’s work by our involvement in Operation Refugee which we will be running again this year. Will we be able to best last year’s fundraising by our congregation of \$6400?

Jewellery should still be left at the office please.

Various other large items available, book a time with Carol or Erica to view.

**Charter ... if you receive a hard copy of Charter your \$10 is due this month. If you wish to change to a digital version to reduce our expenses and help the environment, just let the office know.**

-----  
**Wanted: two litre icecream containers with lids. Please bring them to the office.**

We're moving to **Trade Aid's fair trade tea, coffee and sugar** over the coming weeks. This is an action from our Strategic Plan that was formed out of surveys of parishioners of what kind of church we want to be. We're putting our money and beliefs into action by loving our neighbour as ourselves, paying them a fair wage for the tea, coffee and sugar they produce. This allows them to have a good standard of living and send their children to school, just as we'd want for ourselves.

If you have any feedback, feel free to approach Heather Kikkert or one of the other Parish Councillors.
