Lenten Study 2023 - Chartwell Church Feb. 27 to March 27, 2023

7:00 – 8:30pm in the Worship Centre

For this year's Lenten Studies, we will explore **the Difference course** - a 5 session course that will help us to see transformation through everyday encounters.

This course was developed in response to the Archbishop of Canterbury Justin Welby's vision of seeing the church as a presence in reconciling conflict in the communities we are a part of. He says, "Reconciliation is not the ending of all difference, but the transformation of how we deal with difference". For more details, <https://difference.rln.global/>

March 6: **Crossing Divides:** God invites us to see where difference or prejudice divide us from others and offers us opportunities to see them as God does.

March 13: **Navigating Disagreement:** God is with us as we face the challenge of disagreement, which can become an opportunity for stronger relationships if handled well.

March 20: **Practising Forgiveness:** God is with us in the mess and complexity of trying to put forgiveness into practice in our relationships.

March 27: **Risking Hope:** Doing relationships God's way will sometimes be risky and resisted, but the hope it brings is transformative.

"Reconciliation is not the ending of all difference, but the transformation of how we deal with difference" (Archbishop Justin Welby).

Please email your interest to Jekheli jekheli@chartwellchurch.org.nz. Thank you.

Nau mai haere mai. All are welcome.

MORNING OF REFLECTION AND PRAYER - March 10th

These mornings provide a place to step aside from our normal busy schedules to better see what God is saying and doing in our lives. They provide opportunity for refreshment so that we may be better enabled to reconnect with our worlds. The meetings usually start with a led reflection/prayer around a 'theme' and then there is time for individual interaction with this through journaling or using the creative activities provided. A handout is available to aid reflection.
