## Celebration of Humanity

Tearfund is excited to be back on the road in May 2023 with A Celebration of Humanity speaking and photography tour in seven locations around the North Island.

From the bustle of the biggest refugee camps to the intimacy of a new-born's first kiss. From hospitals in remotest Africa to the gift of clean water. From disaster zones to the joy of childhood, these photos

depict the moments, heartbreak, and kinship that touch us all. Let photographer and storyteller, Helen Manson, take you on a journey behind the lens and onto the front lines of some of our planet's most challenging places.

Be inspired and encouraged as Helen shares stories and images about some of the amazing work being done all over the globe, including child sponsorship.

These powerful images celebrate our deepest emotional connections through A Celebration of Humanity. Gather your friends and whānau for a fun and inspiring evening in a town near you! There'll be delicious dessert and refreshments as well as a Q & A with Helen during her presentation.

Tickets are just \$5.00. 7pm – Doors open 7.30pm – 9pm

**Friday 5th May, Crossroads Church, Hamilton.**
