### **Eco Corner (brought to you by the Chartwell Eco Church Team)**

*Chartwell Church is an Eco Church. Every week, we will be sharing tips on aspects of Creation Care and how to bring this into our everyday lives.*

**Tip of the week** - recycle your soft plastic (basically anything made of soft plastic that can be scrunched into a ball) at your local Countdown Stores. Countdown provides a bin for this purpose. It is usually close to the entrance, information desk or check out.

Collect your soft plastic in the shopping bag you use for groceries.

This means you won't forget to take it with you when you shop!

The latest edition of **Touchstone Newspaper** is **now available** in the church foyer.

Both the pdf version that replicates the style and format of the printed edition, and the blog-style format where articles can be readily shared and printed, can be found online here <https://www.methodist.org.nz/whakapapa/news/touchstone/>
