Eco Corner

Climate Action Tips:

- **Use Public Transport where possible**
Fact - Community Services Card Holders, Total Mobility users, and people under the age of 25 are eligible for public transport discounts
- **Consolidate your driving and errands**
Try to set aside time to get everything you need to get done at one time to avoid driving back and forth. You could also park in a central location and walk between the locations you need to get to.
- **Carpool**
If others are going where you're going, share the car, and enjoy the company!
- **Compost**
Fact - When organic material ends up in landfill it creates leachate which emits dangerous greenhouse gases - a huge contributor to climate change.
In Hamilton you can use the green food scraps bin provided by the council.
- **Sign petitions about climate action**

A big Thank you from the Holiday Club Team for the support provided by the parish for our young leaders. We had great feedback from the attendees

First Aid Course

We will be running a first aid course at the facility on 16 January 2024. It will be a blended course (online work followed by an in person session)

Workplace First Aider - \$150 per person

Online work + 3 hour practical session

Revalidation - \$140 per person

Online work + 2 hour practical session

To book please email

facility@chartwellchurch.org.nz
by 15 November 2023.

If we have enough interest we will be able to run a second day on 17 January. 2024

We strongly recommend that those diagnosed with covid or have flu-like symptoms please do not enter our premises for 5 days or until the symptoms have passed. Thanks

If you have notices for our weekly Newsletter, please email the Parish Office by Wednesday morning. Thank you.
