**ASH
WEDNESDAY**

**Wednesday 14th
February
10.00am**

Chartwell Cooperating Church
126 Comries Road, Chartwell, Hamilton

Eco Corner (brought to you by the Chartwell Cooperating Church Eco Team)

At our recent Eco Church meeting we noted that our power bill has reduced since the solar panels were installed and every month there is some credit for energy we have created and not needed. Thanks again to those who contributed to this project that we are now seeing the rewards from.

We also discussed rubbish and recycling. There have been big changes in kerbside recycling by councils to meet new government guidelines.

Are there products that we use that could be recycled instead of going to land fill?
How do you find out about places that offer recycling options?

We thought it would be good to use our collective knowledge to compile a list of items that can be recycled in Hamilton so that we can share it. If you know of products that are being recycled by companies/organisations around Hamilton please let the office know and we will start a list that we can share.

We strongly recommend that those diagnosed with covid or have flu-like symptoms please do not enter our premises for 5 days or until the symptoms have passed.

Date	Time	Event
