Sunday June 30th

Normally on the fifth Sunday there would be a communion service with a healing option.

The Worship Committee have made the decision, that with an extra communion on the 23rd for our Patronal Service there will be no communion on the 30th.

Healing and other special prayers will be offered for individuals, during the last hymn and following the service.

Please remain at home if you have cold, covid or flu-like symptoms.

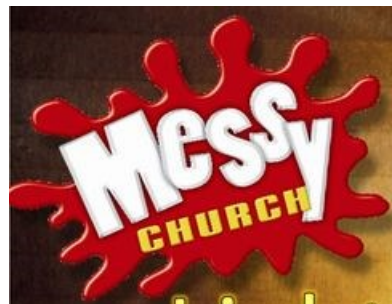

Many in our community are vulnerable to respiratory infections and will appreciate it if you do not come to church until you are well.
