This week we focus our prayer on Teachers.

Grant them an abundance of your wisdom.

Prepare their hearts to welcome and love our loved ones.

May we show them love and respect in turn.

# Eco Corner—Conservation

## Ready to take action for Conservation Week?

Conservation Week is coming up on 2-8 September 2024, with the theme 'take action for nature'. Interested in getting involved in Conservation Week? There are plenty of things you can do!

The Fairfield Project with the Kirikiriroa Environmental Educators and Waikato Branch of NZ Association of Environmental Education are hosting an interschool event for Conservation Week. School groups can take part in conservation-based fun interactive workshops on Tuesday 3 September from 9.30am-2pm. You can contact the Fairfield Project to register your interest.

Keen to have a tour around the Hamilton City Council Nursery? They have limited spaces available for nursery tours during Conservation Week.

The Department of Conservation website has a range of ideas for ways to 'take action for nature' on Conservation Week, including planting a tree, picking up rubbish and enjoying a conservation activity with children. More info on their website.
