Baptism Sunday

Lord, in your love you have called us to know you, led us to trust you, and bound our lives with yours.

Surround these children with your love. Fill them with your holy spirit and receive them into the family of your church, that they may walk with us in the way of Christ, and grow in the knowledge of your love.

With the Treaty Principles Bill in the headlines, and the Hikoi mo te tiriti soon to make its way to parliament, what is a Christian response? This divisive Bill will soon go to Select Committee for the public to have their say: this is a conversation the church should be a part of.

A 90 minute video will provide a refresher on what Te Tiriti o Waitangi says, an introduction to 'Treaty Principles', an outline of what the bill proposes, why many people are deeply concerned, and how you can have your say. All the resources you need to speak up with a gracious and prophetic voice to defend the integrity of Te Tiriti will be provided.

Go Eco Annual Report 2024

A walk by the Waikato River - Richard Lawrence

On a walk or run by the river, I've often wondered - and especially in this week of the hikoi - how many waka the river has carried, how many gunboats and barges. How many war cries, volleys of musket fire, cannon blasts and gun shots has it heard? How many yells, moans, shouts and sighs have carried over its surface? How many waiata, love songs and echoes of laughter has it known? How many tears have fallen into its depths? How many coronations has it borne? How much sadness dwells in the shadows? How much pain has it weighed? There are few sounds, except for the tūi. The river flows resolutely, bearing history and memory in equal part,

Please remain at home if you have cold, covid or flu-like symptoms. Many in our community are vulnerable to respiratory infections and will appreciate it if you do not come to the church premises until you are well. Thank you
