At this time of Lent, which traditionally would mean fasting and going without, we remember those in our community who have to go without and are hungry.

Dear Lord, guide us to be your hands and feet in this world.

Help us see opportunities to assist those in need and give us the courage to act.

Let our actions bring light to those in dark places,

hope to those who have none, and love to those who feel forgotten.

## Some thoughts for Lent

Traditionally, Lent is a time of fasting, praying, and giving. It still is, and there is also a contemporary context for this season of personal reflection and preparation.

Consider what we might 'fast' from so that we can 'feast'?

Fast from anxiety;

Feast on faith.

Fast from pessimism;

Feast on hope.

Fast from judging others;

Feast on justice.

Fast from discontent;

Feast on gratitude.

Fast from anger;

Feast on patience.

Fast from negatives;

Feast on encouragement.

Fast from bitterness;

Feast on forgiveness.

Fast from self-concern;

Feast on compassion.

Fast from suspicion;

Feast on truth.

Fast from gossip;

Feast on purposeful silence.

Fast from problems that overwhelm;

Feast on prayer that sustains.

Please join me at my home on  
Thursday March 27th

9.30am—3.30pm

for a quiet day of guided  
reflection and spiritual growth for  
you, listening to God's word.

Bring a bible and journal

BYO lunch.

Tea and coffee provided.

Koha appreciated.

**Eco Corner**—climate justice, supporting those at the front line of climate change.

**Anglican Missions 2025 Lenten Appeal**

In a partnership with the Anglican Church of Melanesia, we're bringing safe water, sustainable agriculture and disaster preparation to one of the world's most remotely inhabited places.

Climate change is real in the Solomon Islands.

The aim of this project is to enhance the inhabitant's resilience and well being so that they can not only survive these events, but thrive in their environment.

The project has a 2 year timeframe and covers three critical areas:

- Sustainable agriculture
- Water and sanitation
- Disaster preparation
