Dear Lord, as Lent unfolds, bring me back to your path.

Clear away the clutter of petty grudges, remove resentment and bitterness, cleanse me of thoughts of anger, envy and self pity.

Create space in my life for more kindness, greater generosity and stronger compassion.

Enlarge my heart with a spirit of gratitude this Lent so that I can recognize the simple gifts that lay all around me.

In your name I pray, Amen

Some thoughts for Lent

Traditionally, Lent is a time of fasting, praying, and giving. It still is, and there is also a contemporary context for this season of personal reflection and preparation.

Consider what we might 'fast' from so that we can 'feast'?

Fast from anxiety;

Feast on faith.

Fast from pessimism;

Feast on hope.

Fast from judging others;

Feast on justice.

Fast from discontent;

Feast on gratitude.

Fast from anger;

Feast on patience.

Fast from negatives;

Feast on encouragement.

Fast from bitterness;

Feast on forgiveness.

Fast from self-concern;

Feast on compassion.

Fast from suspicion;

Feast on truth.

Fast from gossip;

Feast on purposeful silence.

Fast from problems that overwhelm;

Feast on prayer that sustains.

AUTUMN

FAIR

Saturday April 5th

If you are able and willing to help on Friday 4th with setup and/or on a stall on Saturday 5th of April and/or with packup after the Fair please let Erica or the office know. It will really help with our planning to know who can work on a stall on the day.

We are holding the car boot sale in the car park again so if you, or someone you know would be keen to have a car boot spot please let the office know.

Please join me at my home on
Thursday March 27th
9.30am—3.30pm
for a quiet day of guided
reflection and spiritual growth
for you, listening to God's word.

Bring a bible and journal
BYO lunch.

Tea and coffee provided.
Koha appreciated.

It was good to be able to baptize
Feiyu Tao last Sunday and
welcome her into our church
family.

It was also special to have her
father Chris with her supporting
her.

This is part of the promise she
made.

*"I want to live God's way, to
learn more about Jesus and the
things he taught, to understand
what this means, and to be part
of God's family."* Gloria

Eco Corner— reduce, reuse, recycle. What are we doing here at Chartwell Cooperating Church?

Reduce

Reducing the amount of waste you produce is the best way to help the environment.

Reuse

Instead of throwing things away, try to find ways to use them again

Recycle

Recycling things that have already been used, to make new things for better purposes.

Reduce

We are reducing the amount of power we are taking from the national grid by having solar panels installed, switching appliances off at the wall when they are not being used, switching lights off as we leave rooms, having air conditioning on timers and changing to more power efficient light bulbs.

We have significantly reduced the amount of paper we use by sending out newsletters and other information electronically and putting the worship services on the screen instead of printing lots of paper copies.

We are currently working on a plan to bring the bike racks around to the front of the building where there is better security to encourage those that are capable to bike to our premises instead of using fuel in a car.

We have now finished installing hand driers in all 4 bathrooms. An audit we did with Pare Kore showed that most of our landfill waste was paper towels. By using the power we have created to run hand driers we have significantly reduced our weekly landfill waste.

Please remain at home if you have cold, covid or flu-like symptoms. Many in our community are vulnerable to respiratory infections and will appreciate it if you do not come to the church premises until you are well. Thank you

If you have notices for the Newsletter please email the Parish Office by Wednesday morning.
