Insight - Derek Kingsbury

10am Wed 9th - Mary West

Lawns: Blair & Jackson Bowcott

Dear Lord, waste is a burden on our planet, filling landfills and polluting our ecosystems. We pray for the reduction of waste through responsible consumption and recycling.

Help us to think about the environmental impact of a product before we purchase it, and again when we have finished with it. Grant us the wisdom to value resources and reduce our environmental footprint.

May we be diligent in our efforts as a church and as individuals, to minimize waste and protect the earth.

Registrations are now open for the next Holiday Club on April 14th, 15th & 16th.

For more info contact the office or go to Chartwell Church Holiday Club on Facebook.

Registration forms on our Facebook

Limited Spaces

Eco Corner— reduce, reuse, recycle. What are we doing here at Chartwell Cooperating Church?

Reduce

Reducing the amount of waste you produce is the best way to help the environment.

Reuse

Instead of throwing things away, try to find ways to use them again

Recycle

Recycling things that have already been used, to make new things for better purposes.

Recycle

Do you know all the things you can recycle here at Church?

Whilst here at church, we encourage you to recycle everything you can, and we also recycle what we can to reduce the amount of waste going to landfill.

This is a very timely topic as March 30th is the International Day of Zero Waste as decided by the UN General Assembly as part of their Sustainable Development program.

1. There are bins in each of the church kitchens for items that HCC recycle:
Paper, cardboard, tins, plastics 1, 2 and 5, glass and food waste
 2. There are also bins for soft plastic recycling. (plastic packaging and bags that can be scrunched up in to balls)
 3. We recycle the church's light bulbs, batteries, printer consumables and glass bottle lids.
- We also now use more energy efficient light bulbs and rechargeable batteries to reduce what needs to be recycled and where possible buy in bulk to reduce packaging waste.

Save the date: Garden Working Bee - Saturday April 12th at 9.00am.

Please remain at home if you have cold, covid or flu-like symptoms. Many in our community are vulnerable to respiratory infections and will appreciate it if you do not come to the church premises until you are well. Thank you

If you have notices for the Newsletter please email the Parish Office by Wednesday morning.

Date	Time	Event
March 30th	9.30am	Healing Service
April 13th	9.30am	Palm Sunday Family Service
April 20th	9.30am	Easter Sunday service
