Reflecting on this week's readings

Faithful God, you call us to pray without ceasing and to hold fast to what is good. When our strength falters, renew our hope. When answers seem delayed, deepen our trust. Help us to persist in compassion and truth, as those who have learned from your Word and lived your grace. Keep us steadfast amid weariness, courageous in the face of doubt, and faithful to the work of love until your justice shines through all things. Amen

International E-Waste Day

International E-Waste Day is an annual event celebrated on October 14th to raise awareness of the growing problem of electronic waste (e-waste) and to promote the safe and responsible management of e-waste. It was first celebrated in 2018 by the Waste from Electrical and Electronic Equipment Forum, a global network of organizations working to reduce e-waste.

The date of October 14th was chosen because it is the deadline for developed countries to comply with the Basel Convention's Amendment on e-waste. The Basel Convention is an international treaty regulating hazardous waste's transboundary movement.

In 2019, the world generated 53.6 million tonnes of e-waste. Only 20% of this e-waste was recycled in an environmentally sound manner. The remaining 80% was either landfilled, incinerated, or illegally dumped.

E-waste contains hazardous materials, such as lead, mercury, and cadmium. These materials can pollute the environment and harm human health. burned or buried, releasing hazardous materials into the environment.

New Minister of Chartwell Cooperating Church (St Albans) announced

It is with great pleasure that we announce the appointment of the Reverend Peter Bargh as the next Minister of Chartwell Cooperating Church. Peter, Kahu and family are well known to the people of Chartwell Cooperating Church, living very close by and regularly supporting St Albans. We know this appointment will be widely welcomed. Peter will initially be appointed to a 0.8 EFT position as he will continue as the Archdeacon for Tauranga and the Bay of Plenty in the Diocese of Waiapu. Because of his current responsibilities Peter will not formally take up the role until the beginning of 2026 but will begin some very limited ministry under a Letter of Authority from 14 November 2025. His next Sunday service will be on the 7th of December 2025. Our prayers are with Peter, his family, and the leadership and people of the Parish of Chartwell as this important new beginning approaches.

Bishop Philip Richardson, On behalf of the Board of Nomination and the Partner Churches.

Please remain at home if you have cold, covid or flu-like symptoms.

Many in our community are vulnerable and will appreciate it if you do not come to the church premises until you are symptom free and have tested negative. Thank you.

If you have notices for the Newsletter please email the Parish Office by 9am Wednesday morning.
