In this time of disruption and loss, we hold in care all those affected by the recent storms across our land. We remember those who have lost their lives, and we surround their families and loved ones with compassion. We pray for those whose holidays, work, homes, and daily lives have been unsettled, and for communities facing damaged roads and property. May support, patience, and practical help flow where it is most needed, and may hope be renewed amid uncertainty. Amen.

LANDBACK – Visions and Realities
*A seminar and workshops on the
restoration of Maori land*

With widespread private ownership of whenua that has been unjustly alienated from te iwi Māori, the vision of individuals and organisations returning land to hapū and iwi to help restore Tiriti relationships has gained traction among Tangata Tiriti. But the concrete realities of land restoration processes are often complex and can take many years. What can we learn from a range of recent and successful 'land back' projects? *Further details and list of speakers available via link below.*

Where: Holy Trinity Cathedral, Parnell, Auckland, Saturday 7 February.

What: Public Panel 1-4pm, Workshops 4.30-6pm.

Livestream option available. The link will be emailed to you closer to the time.

GET TICKETS (Flexible payment options; koha for Livestream).

Community News

Our community has much to hold and share at the moment — moments of joy, times of gratitude, and spaces of care.

We celebrate some very special milestones, with warm congratulations to **Joy Carter** on her 90th birthday, **Val McMahon** on reaching the remarkable age of 100, and **Colleen O’Leary** as she celebrates her 80th. These significant birthdays are a reminder of lives richly lived and deeply valued within our community.

We also pause to remember and hold in care the families and friends of **Jan Calvert**, **Jean Horn**, and **Cathie Twiname**, who have each passed away recently. We offer our thoughts, prayers, and ongoing support to all who are grieving.

In the midst of a busy season, we are grateful to mark the birthday of one of our ministers, **Gloria Zanders**, and give thanks for her presence and ministry among us as her supply ministry role comes to an end.

We send our very best wishes to **Neil Colyer** and **Gillian and Derek Woodward** as they move away and begin settling into their new homes. May this next chapter be filled with comfort, connection, and new beginnings.

As always, may we continue to notice, celebrate, and support one another — in joy and in care.

Mission Table

On a Sunday morning after the 9.30am service the bench by the Hall carpark door becomes our mission table. Please bring along anything you have surplus of like fruit, plants, vegetables, flowers or baking. Make sure you have a look to see what you might want to take home. The koha jar will be on the bench. All proceeds are donated to mission through our partner churches.

Please remain at home if you have cold, covid or flu-like symptoms.

Many in our community are vulnerable and will appreciate it if you do not come to the church premises until you are symptom free and have tested negative. Thank you.
