Thank you to Mary Hitchins and her brother John Walsh who hosted us last Sunday afternoon at John's farm and tractor museum.

Thank you also to the Kingfisher Group who invited the rest of us along. We enjoyed a lovely BBQ, salads and treats while being regaled with stories from John about his history with tractors—he is a great storyteller!

Even those of us who are not mad keen on tractors could appreciate the history, stories and engineering involved in the equipment John has restored, collected and displayed as part of the Glenfalls Collection.

The farm also has wonderful views and is a working dairy farm and John kindly offered rides to those that wanted a better look. A lovely afternoon! Highly recommend to any individual or group. Sylvia

PRAYER CORNER

Healing

Compassionate God, we pray for healing in our world, our communities, and within ourselves. Bring comfort to those who are unwell, weary, grieving, or carrying unseen burdens. Heal relationships strained by hurt and division, and renew our spirits with hope and peace. Help us to be gentle with one another and attentive to those in need. May your healing presence move through acts of kindness, care, courage, and understanding, bringing restoration where it is most needed. Amen.
