Spring flower Sunday

Creator God, as spring awakens the
earth, open our eyes to the beauty
and wonder around us.

May new leaves, blossoms, birdsong,
and lengthening days renew our
gratitude for the living world.

Teach us to care gently for soil, water,
air, plants, animals, and one another.
Give wisdom to communities and
leaders facing climate change.

Inspire us to choose hopeful actions,
so all creation may flourish, now and
for generations yet to come, with
justice, joy, and abundance together.
Amen.
