Creation Sunday - Water

Loving God, we give thanks for water,
flowing through rivers, falling as rain,
filling oceans, and sustaining every
living thing.

Awaken us to its sacred value and to
the needs of those who lack safe,
clean water. Help us care wisely for
waterways, wetlands, and seas,
reducing waste and pollution in our
daily lives.

Guide communities and leaders to
protect this precious gift, so creation
may flourish and future generations
may share its abundance with
gratitude, justice, and hope.

Amen.
