Minister on Sabbatical

Kia ora koutou, This will be my last Sunday with you for a while as I will be away for the beginning of my sabbatical from the end of next week. I will be taking my sabbatical leave in two parts over the next few months. The first part is from 22 October-26 November and I will be overseas for much of this time, in North America and Europe. The second part will be early in the new year from the beginning of January until early March, with a week's break to be back with you for Ash Wednesday and the start of Lent. This will be my first sabbatical since being ordained in 2014, so I am looking forward to the opportunity for some different experiences, particularly connecting with different Franciscan communities, as well as some time for refreshment.

From a worship perspective for Chartwell, the rosters are full over this time; this is a real blessing. These are filled with many of our own local ministers as well as some guest clergy, many of whom were here during the interregnum so will be known to you. It is my prayer that these different voices enrich our Sunday gatherings and common worshipping life together. Other practicalities to note are that Gloria has agreed to coordinate things from a pastoral perspective while I am away. Similarly, administrative matters will continue to be handled from the office.

Please do pray for me and my family while I am away. Be assured that you will be in my prayers, too. Te pai me te rangimārie (te reo Māori translation of the common Franciscan signoff "peace and good"), Peter

Sponsor a Chair

Help us provide 200 comfortable new chairs for our venue

\$140

sponsors one chair

Our existing chairs are deteriorating, heavy and difficult to stack. After considerable research, we have chosen a light, strong and comfortable replacement for the chairs in the Lounge, Hall and Foyers.

The \$140 cost includes freight, chair movers and security printing.

Why we chose this chair

LIGHTER Around 3 kg lighter than our current chairs, making them easier to move.

EASIER TO STACK They stack vertically rather than projecting forward.

DURABLE A 20-year warranty and solid-coloured plastic help them keep looking good, even when scratched.

COMFORTABLE Back support, a rounded seat edge and generous proportions suit a wide range of people.

SECURE Our church name will be etched into each chair to discourage theft.

ENVIRONMENTALLY FRIENDLY Made from 90% recycled plastic and recyclable at the end of a long life.

CAN YOU OR YOUR GROUP HELP?

A full sponsorship is \$140, but every contribution will help us reach our goal.

Please let us know if you can contribute.

The chairs will be purchased when the funds have been raised.

A sample chair is available in the office if you would like to try it.

Faithful God,
when life feels uncertain and changes
beyond our control unsettle us, remind
us that we are never alone.
Your presence surrounds us in times
of joy and sorrow, confidence and
fear. Give us courage for each day,
patience when answers do not come,
and hope when the way ahead is
unclear.
Help us trust that your love remains
constant, holding us gently and
walking beside us through every
season. May this assurance bring us
peace and strength. Amen.

Hall Heat Pumps

These are still set to heating as we are
having very changeable weather with
some very cold mornings and it is
impossible to heat the Hall if it is cold
without using the heat pumps. Until the
weather settles we will not be switching
them over to cooling.
If you need to cool the Hall on a warm
day please open the top and bottom
windows and put the fans on. The fans
must be completely still however,
before the building alarm will set.
