Hall Chairs

These should be put away in stacks of 5 so the front is facing the Worship Centre Foyer wall. Half should be stacked on each side of the glass doors in the hall. There should be no chairs in front of the glass windows or in front of the chairs along the side of the Hall.

The chairs movers should be placed neatly behind the stacks of chairs – not in the storeroom. Thank you.

Christmas Appeal

Hamilton Combined Christian Foodbank

Thank you for taking a paper bag - with your help and generosity we can make Christmas brighter for our neighbours who are struggling at this time

Suggestions: canned food - cereal - sugar - pasta - rice - coffee - milo - biscuits - milk powder - hygiene items - extra Christmas treats

Thank you and may you be richly blessed for your kindness

Each year our church supports the Brown Paper Bag Christmas Appeal for the Hamilton Combined Christian Foodbank. In addition to your usual Sunday foodbank donations, if you were able to take a bag, fill, and return it by Sunday November 29th it would make a huge difference to families in need this Christmas.
Any bags from church groups would also be greatly appreciated.
Bags to fill are available from the office or from the Worship Centre Foyer on Sundays in November.

From the 1st to the 21st Century. Can we be Good News today?
Rev Dr William Loader

THE PRAYER CORNER

Loving God, like the shepherd who rejoices when the lost sheep is found, help us celebrate every person who returns to our community.

May our welcome be warm, generous, and free from judgement. Remind us that your love never gives up on anyone, and that each person is precious in your sight.

Open our hearts and our church to all who seek belonging, healing, friendship, or faith.

May everyone who enters know they are valued, accepted, and truly welcome. Amen.

Hall Heat Pumps

These are now set to auto as we are still having very changeable weather with some very cold mornings and hot afternoons.
The heat pumps will cool or heat depending on what they need to do to maintain a comfortable room temperature of 20 degrees.
