Hall Chairs

These should be put away in stacks of 5 so the front is facing the Worship Centre Foyer wall. Half should be stacked on each side of the glass doors in the hall. There should be no chairs in front of the glass windows or in front of the chairs along the side of the Hall. The chair movers should be placed neatly behind the stacks of chairs – not in the storeroom. Thank you. See photo.

Please return your Foodbank bag by Sunday November 29th. it will make a huge difference to families in need this Christmas.

From the 1st to the 21st Century.

THE PRAYER CORNER

Christ of compassion, turn our hearts toward your reign of justice, mercy, and peace.

When power is used to dominate, teach us the strength of service. When fear divides, lead us into courageous welcome.

When suffering is ignored, awaken us to solidarity and action. Shape our choices, relationships, church, and communities, so that your love becomes visible among us.

May we follow Jesus faithfully, seeking dignity for every person and hope for all creation, in all we do together. Amen.

Solar Panels

Last Thursday we completed the 2nd phase of our solar panel project. 20 new panels were installed on to the Hall roof.
The weather cooperated and the panels were installed and up and running in one day!
Thank you again to every parishioner who contributed towards our ‘Sponsor a Panel’ fundraising for this project. 100% of this was paid for by specified parishioner donations.
This will reduce our power costs every month – starting this month!

Kakapo Group Christmas Party

Last Sunday afternoon Kakapo Family Group hosted a Christmas Party for members and Worship Leaders and their families.
The decorations were awesome, the food was delicious and the company most excellent.
Well done to all involved.
